I'm very pleased to inform you that our conference committee has announced the 2nd Global Conference on Cyber Security and Cloud Engineering (GCCSCE) to be held on **Saturday, January 28, 2023, in Cancun, Mexico**. For detailed information on our upcoming conferences, please visit: <https://gcbme.org/upcoming-conferences>

Our immediate past, the 12th Global Conference on Business Management and Economics 2022 was successfully concluded on December 03, 2022, in Vancouver, Canada. This conference proved to be an excellent opportunity to meet and network with delegates from around the world in the areas of Security and Integrity, Secure Cloud Architecture, CIA triad, Virtualization, Data Recovery, and Backup, International Business, Digital Piracy, Security and many more.

Thank you for considering attending our 2nd Global Conference on Cyber Security and Cloud Engineering (GCCSCE), Cancun, Mexico. Participants should benefit from conference presentations exploring cutting-edge reviews and investigations in basic and applied research. A wide scope of participation will enrich our conference and help us all add significant value and experience to our shared research objectives. Beautiful Cancun, Mexico is waiting, and we are looking forward to meeting you at the 2nd Global Conference on Cyber Security and Cloud Engineering (GCCSCE) 2023!.
